ALP 2500

Set high in the snow-sure Catalan region of the Spanish Pyrenees, Alp 2500 is the largest skiable area in Catalonia and perfect ski area for our school ski groups.

The twin resorts of Masella and La Molina are now combined and together form a resort to rival many in Europe.

Recent extensive investment has turned Alp 2500 into a first-class ski circus. With US style 'state-of-the-art' snowmaking facilities, large base areas with all amenities in both La Molina and Masella, numerous high speed chair lifts, snow-sure nursery slopes, hot lunches and doorstep skiing accommodation, European skiing doesn't get much better than this!

With an extensive list of apres-ski activities, included in the price, Alp 2500 is the perfect ski area for school groups, providing an unforgettable winter experience for all.
