The Spanish Netball Festival

Our exciting Spanish Netball Festival is a fantastic opportunity for your Netball teams to be coached by experienced and enthusiastic qualified England Netball coaches and guest international coaches, and to gain competitive experience against other touring teams. A non-stop programme of coaching and mini-tournaments and a final tournament will ensure every pupil has a memorable and performance-improving experience abroad.

Taking place in La Manga/Costa Blanca, Spain, Netball students will receive an **unbeatable ground package**. Unmatched in Europe as a year-round, sunny sporting venue, students receive a Netball tour-of-a-lifetime.

“Very good experience for all concerned. The pupils learnt a great deal and it has fired up the enthusiasm for netball in the school.”

The Mar Menor - As a Destination

La Manga is one of Europe’s finest sporting destinations and is the ideal location for a Netball Festival abroad. The resort is situated on Europe’s largest saltwater lagoon, the Mar Menor, and enjoys a permanent spring climate with over 300 days of sunshine each year and boasts excellent sporting facilities and fantastic beach activity options.

The warm temperatures throughout the year, coupled with the unique characteristics of the Mar Menor Sea (a high proportion of salt, shallow waters and warm sunshine), allows guests to enjoy the beach and the fresh air in both winter and summer seasons. The beaches of Los Alcázares awarded the ‘blue flag’ cover 9km stretch of sand with a pleasant 5km promenade which provides visitors with an ideal place for a stroll.

Los Narejos is a village adjacent to Los Alcázares, a new town founded on 13th October 1983. Since the date of its foundation, the town’s excellent infrastructure ensures a high quality of services, whilst preserving the traditions, customs and attractiveness of the area.

Visions Festival Hotel – Hotel Costa Narejos

Costa Narejos Hotel is a 4-star Spanish hotel situated 100 metres from the beaches of the Mar Menor sea, opposite Las Vellas, a pedestrianised shopping area. This spacious, modern and comfortable hotel contains 193 rooms, each with a fully equipped en-suite bathroom, flat screen TV with satellite channels, hair dryer, refrigerator and safe deposit box.

The hotel complex has been carefully designed to incorporate spacious lounges, meeting and conference rooms, Wi-Fi area, two panoramic lifts and coffee shop where entertainment takes place. The hotel offers extensive and varied Spanish high-quality 'all-you-can-eat' buffet-style meals for breakfast, lunch and dinner. The swimming pools and outside Jacuzzi have a lifeguard from 10am to 6pm per day during the Festival.

The hotel itself has been designed to provide maximum enjoyment and comfort of its guests and offers a 24-hour reception service. Its polite and friendly young staff members are there to ensure that all requirements are attended to in a courteous and helpful manner.

“We had a wonderful week in La Manga with superb Coaching and Umpiring and were delighted when we got back and our Under 19 Team won the County and qualified for the Southern Regional Finals of the National Schools Netball Tournament. The girls and staff learnt so much and we cannot wait to go again.”

Exciting New Netball Complex

We have upgraded our netball venue to a nearby purpose built multi-sport facility. Located less than 15mins from the door of the hotel to the door of this fabulous new location. The facility has 3 full size indoor netball courts on sprung wood floors, with an additional indoor space that could accommodate another 2 indoor netball courts, numerous options for many outdoor courts, climbing wall, athletics track, football, rugby fields, basketball courts, outdoor swimming pool, squash, handball, along with on-site cafeteria, water refill stations and so much more.

Following breakfast at the hotel, all the coaching will be put into practice as the teams play against each other in the 'Spanish Netball Tournament' and the teams will battle it out to find the tournament medal winners.

19:00 - 22:00 During the evening there will be a Festival dinner and a Presentation Evening where prizes will be given to the best teams, best players and most improved. This will be followed by a fun performance of 'Netball's Got Talent' where each school/team will be asked to perform a pre-prepared sketch in front of the other schools. It's great fun and enjoyed every year by all the participants.
