## Day 1 Perth

On arrival in Perth you'll be met and transferred to your hotel.

Perth is Australia's sunniest city and is well stocked with fabulous restaurants, interesting shops and uber cool vibe. Kings Park is a refreshing green space whilst the beautiful wineries of the Swan Valley are just a short drive away. Car-free Rottnest Island has beautiful beaches, idyllic swimming spots and is home to the quokka, a mini marsupial found only in WA.

Your Accommodation: Pan Pacific Perth (4 Star Hotel)

## Days 2–3 Margaret River (259 kms)

The Margaret River is an easy drive from Perth, with plenty of extraordinarily scenic places to stop off along the way. Take a dolphin-spotting cruise at Bunbury or stretch your legs in Busselton with a stroll to the end of the longest timber piled jetty in the Southern Hemisphere. You have 2 nights here and you'll be completely spoilt for choice when it comes to the world-class wine, boutique breweries, art galleries and artisan food producers that make this region home. Alternatively, spend a day walking the coastline on the Cape to Cape track; the beaches are pretty special!

### Day 4 Pemberton (175 kms)

This is in the heart of karri tree country thus you'll spend a lot of time with your head tilted skywards. It's easy to explore off the beaten track with plenty of hiking trails. As you drive towards Albany make a stop at Walpole and The Valley of the Giants Treetop Walk, suspended 38 metres above the forest floor.

Your Accommodation: Karri Valley\* (4 Star Hotel)

\* At certain times of the year a 2-night stay is required at Karri Valley.

### Days 5–6 Albany (240 kms)

Albany marks the spot where European settlers first set foot in Western Australia and their legacy remains very much in evidence today. For stunning coastal views head to the Torndirrup National Park, the area is good for whale-spotting between May and October as well.

Your Accommodation: The Beach House at Bayside (4.5 Star Hotel)
