Applications:

- Paths and Patios
- Driveways
- Swimming Pool Surrounds
- Car Parks and Access Roads
- Cycle Paths
- Pedestrian Schemes

Benefits:

- Seamless
- SuDS compliant
- Hard wearing
- Low maintenance
- 25 year plus lifespan
- No loose aggregate

Why should I use a BBA approved Resin Bound system?

British Agrément Certificates provide reassurance to users, designers, insurers and regulators and are recognised throughout the UK by architects, engineers and building control personnel as a mark of quality, safety and reliability.

Looking for a fully porous finish with 'minimum/no-dig' options to avoid using asphalt or concrete? Introducing **terrabase classic**

Our 'minimum/no-dig' patented Terrabase system topped with one of our BBA approved Resin Bound 6mm or 10mm blend porous surfacing products Addaset, Addabound or Terrabound.
