

# Welcome to The Spread Eagle Inn

We're proud of our local area and want to support local business. We endeavour to source 90% of our ingredients from within a 30-mile radius, and our sausages, eggs and some of our vegetables are produced right here on the estate. We make our own pickles, sauces and jams in-house, and our pure spring water has been bottled at source since 1750, rising from the hills on the Stourhead Western Estate.
