Day 1 Sydney to the Blue Mountains

Depart Sydney this morning for the Blue Mountains, a dramatic landscape of deep ravines, sandstone outcrops and hazy blue eucalypt forests. Your guide will get you off the beaten track to remote lookouts and discuss the flora, fauna and history of the region. First stop is Calmsley Hill, a working farm that's home to kangaroos, koala, emu and wombats. As you head into the Blue Mountains, explore the stunning outlooks of the Jamison Valley. Eaglehawk is a remote lookout away from the crowds, which offers fabulous views of the Three Sisters (unusual rock formations).
