Explore | Dream | Discover

This is an exceptional opportunity to view both polar and grizzly bears on one holiday.

From June to late August, approximately 3,500 beluga whales visit the Churchill River basin and approximately 60,000 come into the Hudson Bay area, while polar bears are leaving the pan ice and hunting along the shore. In Churchill, 'The Polar Bear Capital of the World', you have the perfect base from which to see the polar bears in their natural habitat, before travelling to British Columbia to view the mighty grizzly bear as they roam wild and feast on berries, grasses and salmon.

DAYS 3 TO 5

Wildlife Viewing

Guides will take you in the Sam Hearne – a coastguard-certified custom-built boat – on an adventure to experience one of the more remote polar bear viewing areas on the west side of Hudson Bay. You will have the opportunity to view polar bears in their summer environment, swimming and walking around the rocks and wildflowers. Weather and wildlife permitting, you will disembark the boat and walk with polar bears.

Along the same shoreline, hundreds of Beluga Whales come to feed, mate and give birth in the warm, shallow near-coastal waters. The Beluga Whale Boat/Fort Tour will focus on viewing the beautiful beluga whales in their natural habitat in the Churchill River and into the Hudson Bay area as they feed on schools of caplin, arctic char and brook trout. You will also go ashore for a walking tour of the historic Prince of Wales Fort. Snorkelling and kayaking with the whales are available as optional extras.

Next, you will tour the Tundra in Arctic Crawlers™ to view the beautiful landscape and varied wildlife in the area. (These are the same vehicles used for the autumn Tundra Tour.) You may see over 200 nesting and migrating birds, fields of wild flowers so colorful that they don't seem real, seals, small mammals such as the Arctic Hare and Arctic Fox. Back at the Lodge, after a delectable supper, you will possibly see the Northern Lights.

The Cultural and Heritage Tour takes you to Churchill and the surrounding area where you will be exploring various historic sites. These include Cape Merry, an outside tour of the polar bear holding facility, the wreckage of the famous plane, 'Miss Piggy', and many other historic sites that make Churchill the town it is today. You may walk around and take pictures or stay on the bus if you prefer.
