113,4kms of Sentinel MS Streamer
Simultaneous streamer handling 4+ streamers

Efficient deflection system Baro 410

1.5GB seismic data per shot
Infield geophysics capacity Reveal 4.1, 480 cores, 960TB storage and 10 tape drives

Calibrated marine sources ShapSigm
Steerable sources DSS
Gunlink 4000 source system

Spread width 1,300m
