

UPDATE – 29 May 2020
Dix Mille Tours – 24 to 26 July 2020

Dear competitors, dear organisers, dear friends,

We hope you are all in good shape and in good health after these last weeks of confinement.

Indeed, you will need to be in shape by the end of July since we are pleased to confirm that we can organize the Dix Mille Tours at Le Castellet next July 24, 25 and 26th!

We are as of yet not 100% clear all on all the necessary parameters required by the circuit so that the event can take place. We do however know that optimal conditions of safety are paramount, we hope to be able to send you detailed information this coming week.

In short, it is finally time to return to your workshops, to finish the set-up of your cars, in order to best prepare this event that we wish to be as festive as possible!

Finally, we would like to thank you for your confidence during this unprecedented period. We have received a lot of supportive messages, and we thank you very much.

We remain of course at your disposal for any requests, and we will get back to you as soon as possible with more detailed information.

See you soon,

Best regards,

The Peter Auto team
