Private Collection

TURKEY

Ilios Travel, part of the Vision Holiday Group, has been offering luxury villas in Turkey for more than 30 years.

We began by featuring exceptional Ottoman style houses in the charming village of Akyaka. Over the intervening years we have expanded and added to our programme with stylish and chic villas throughout the Bodrum Peninsula.

Now we are delighted to announce the launch of our Private Collection of amazing villas and boutique hotels in the beautiful areas of Kalkan, Islamlar and Bozburun. Our houses are in the very best locations – some directly on the Kalkan waterfront others tucked away in mountain villages – all of them have a uniqueness and breath taking views.

Villa Aurelia

Kalkan

Sleeps 6+2

Villa Aurelia is one of the finest houses in Kalkan and lies directly on the seafront and thus its position guarantees magnificent sea views. There is a huge private pool and sea access; steep steps lead down to sunbathing platforms set in the rocks and at sea level there is a deck platform furnished with sun beds, sunshades and scatter cushions.

Villa Ayse
Kalkan
Sleeps 6+2

Villa Ayse is set on the hillside close to Villa Aurelia and is considered one of Kalkan's most exclusive properties. Again it has stunning views with an infinity pool and beautifully kept garden. It has waterfront and beach platforms reached via some steep steps. A two-seater kayak is also provided and scatter cushions.

Villas Ayse and Aurelia are close to the Hotel Villa Mahal and Beach Club where you can dine or catch a water taxi into Kalkan.

Kotti Evi
Kalkan
Sleeps 10+2

There are insufficient superlatives to describe Kotti Evi, simply stunning, gorgeously glamorous, achingly beautiful, fabulously fabulous and totally magazine worthy.

The house is light and spacious and enjoys the most beautiful views over the Bay of Kalkan.

Villa Günbatimi

Kalkan
Sleeps 4

Villa Günbatimi is truly breathtaking - as you enter from the garden nothing prepares you for the chic interior and the exceptional outlook of this property. The entire front wall of the villa is glass and the entire panorama is a seascape. The look is modern, contemporary and totally stunning.

Guests in Villa Günbatimi have daily complementary entrance to the fabulous Mahal Beach Club.

Villa Su
Kalkan
Sleeps 6

Villa Su, just like its neighbour Villa Günbatimi, has oodles of wow factor! The initial surprise is that on entering from the garden you discover that the long, low villa has an entire wall of glass looking out over Kalkan's extraordinarily beautiful bay. Guests in Villa Su have daily complimentary entrance to the fabulous Mahal Beach Club.

Villa Ruya
Kalkan
Sleeps 6

Villa Ruya is beautiful, extravagant and luxurious with a contemporary feel. The interior is spacious, bright, white and modern. Every room opens on to a terrace and every terrace offers yet another living area. The main living areas are circular with a double height glass frontage framing probably one of the most stunning views of Kalkan Bay.

Guests in Villa Ruya have daily complementary entrance to the fabulous Mahal Beach Club.

Kelebek Mavi
Kalkan
Sleeps 4

An alternative name for Kelebek Mavi would be No.2 Kalkan for it is just the second house at the furthest tip of Kiska; a most enviable position for it looks over the sparkingly beautiful bay and towards the town climbing up hill to the magnificent Taurus mountains. The property has a fabulous curved glass frontage that opens on to a swimming pool with Jacuzzi section, terraces and dining area all within a beautifully mature garden.

Gogen Evi
Kalkan
Sleeps 8

Location, location, location..... looking out over the olive groves of Kalamar and across the bay to Kiska, Gogen Evi's views are truly stunning. By day the panoramic sea view, with little islands dotted off the coast, has that glorious summer heat haze and by night mesmerising, shining water looks just like a mirror reflecting the stars above. It is only a short walk to the centre of Kalkan with its huge choice of restaurants and shops and from the town harbour you can catch a boat to one of the bay beach clubs.

Likya Evi
Kalkan
Sleeps 6

Likya Evi enjoys a spectacular position, with truly stunning views. As you look across the bay to Kalkan you'll see the bluest of blues - from the pool, to the sea, to the sky.

The villa has a contemporary and minimalist interior but the exquisite Ottoman style "objets", colourful Iznik tiles and rich fabrics just serve to remind you that you are in oriental Turkey.

Yavuz Evi
Kalkan
Sleeps 6

Just a 5 minute drive from the centre of Kalkan, Yavuz Evi is a stone built west facing villa located in the Kördere area of Kalkan. Kördere is rural with scattered villas and farmhouses set in abundant olive groves in the foothills of the Taurus mountains - so there is always a cool breeze. It is quiet and peaceful with spectacular panoramic sea and mountain views.

Tucked away in the foothills of the Taurus mountains, above Kalkan, is the little village of Islamlar. Once a Greek settlement known as Bodamya, the name may have changed but life continues very much as it has for hundreds of years - the village tea house and bakery and two working mills that use waterpower and a great millstone to turn grain into flour. There are some fine family restaurants offering home reared trout and locally grown organic produce and wine from the village vineyards. Because this village is relatively remote we provide our guests with a car - however from our properties it is a short walk to Shakir and Hulya's Bistro and we can arrange for a taxi to and from Kalkan.

Üzüm Evi

Islamlar
Sleeps 4

Üzüm Evi is a traditional Ottoman style village house beautifully restored by Shakir and Hulya, the owners. They have taken a great deal of time and effort with the authenticity and quality of the renovation to ensure that the house remains true to its origins with wooden balconies, window shutters and colourful Turkish fabrics.

What we particularly love about Üzüm Evi are the secluded gardens, infinity pool and stunning views to the sea in the far distance.

Salkim Evi
Islamlar
Sleeps 2

Apparently, there are three things that combine to create the perfect romantic hideaway..... panoramic views, a private pool and complete seclusion - Salkim Evi has all three and much more besides. The more being that it is stunningly designed and although private is only a 10 minute walk to the village of Islamlar. It is also only a 20 minute drive to cosmopolitan Kalkan; even romantic trysts can be enhanced by cocktails and a starlit dinner at the sea's edge!

Yasemin Evi
Islamlar
Sleeps 2

If you adore the idea of a chic retreat then Yasemin Evi is the perfect choice. It is set high in the mountains of Islamlar with sensational views over the valley towards the exquisitely sandy beach at Patara. It is plush, comfortable, very spacious and extremely elegant. The single storey villa has huge walls of glass and opulent furnishings in shades of grey that blend with the finest natural materials to complement the surrounding landscape.

Villa Saranda
Bozburun
Peninsula
Sleeps 4

Söğüt - it's hard to spell, difficult to say, nobody has heard of it and it's not easy to reach but that is what makes this peaceful retreat so desirable. It is a place to relax, unwind and experience a more simple life style. Villa Saranda is situated at the top of a hill enjoying exceptional views and privacy. The most distant island is the Greek island of Symi - hence this area is known as the Symi Gulf. There are a plethora of other small Turkish islands offering clear water for swimming and snorkelling.
