

## 1966 JAGUAR E-TYPE SERIES 1 4.2 COUPE

£265,000

### A beautifully restored Series 1 4.2 Coupe presented in Opalescent Silver Blue.

Built around the Christmas of 1966, this Coupe was among the first delivered to the USA at the beginning of 1967.

Recently returned to Europe, it has just been subject to a complete restoration.

The mechanicals and matching numbers engine have been rebuilt and just test miles have been driven since.

During restoration the decision was made to upgrade the specification for modern road use and a 5-speed gearbox, uprated brakes, a stainless steel exhaust system, uprated suspension, uprated cooling, wider wire wheels and halogen headlamps form part of what is now a brilliantly usable package.
