As with all sample itineraries, please be advised that this is an 'example' of a schedule and that the activities and hotels shown may be variable dependent upon dates, weather, special requests and other factors. Itineraries will be confirmed prior to travel.

Day 1

Dinner

Arrive at the Las Vegas International Airport. Meet your Visions Ambassador and depart Las Vegas for a short 2-hour drive to St. George in Utah. Welcome dinner on arrival!

Sample Lodging - BW Abbey Inn, St. George, UT

St George, Utah - www.utah.com/stgeorge

Day 2

Breakfast & Dinner

Travel north this morning to the small town of Milford for touring of **Firstwind**, Utah's largest wind farm producing clean energy in the Utah desert. Next, stop in the town of Beaver for lunch on own. After lunch, continue your journey to **Bryce Canyon National Park**, one of the most amazing and fascinating sights on earth. Stand on the edge of the Paunsaugunt Plateau, where before you lies a city of stone cathedral spires, delicately tinted in shades of pink, red, and orange. Hike the Navajo Loop Trail and enjoy a sunset view before spending the night just outside the park.

Day 3

Breakfast & Dinner

This morning visit Utah's oldest and most famous national park, **Zion National Park**. Zion is unique among national parks in the west, with its awe-inspiring monoliths that one early explorer called "temples". You will tour the park, seeing its narrow canyons and dramatic buttes and mesas. Enjoy time for exploring and hiking as well as a Park Ranger lead discussion on the geology and ecology of the park. In the late afternoon, travel to Page, Arizona and check into your hotel on the shores of beautiful **Lake Powell**.

Day 4

Breakfast & Dinner

Visit **Glen Canyon Dam** for touring of this amazing feat of engineering that created the second largest reservoir in the United States and produces 3.46 billion KWh of hydroelectric power per year. Depart Lake Powell and enter the Navajo Nation. Visit **Cameron Trading Post**, where authentic Indian jewelry, blankets, and other craft items produced by the Navajo are available. After time to browse among the pottery, rugs, and sand paintings, continue on your way to "The Grandest Canyon of Them All, the **Grand Canyon National Park**. Take a leisurely tour of the East Rim this afternoon, making stops along its length to photograph the Canyon. Perhaps a contest for best photography? In the late afternoon arrive at **Tusayan** located just outside the park and visit the **IMAX Theatre** for a special presentation of the spectacular film, "The Grand Canyon." After this thrilling 3-D adventure, enjoy dinner before checking into your hotel.

Day 5

Breakfast & Dinner

This morning, return to the **Grand Canyon National Park** for an early morning view and some additional touring. Then depart and travel on what was once Route 66 as we head west through northern Arizona. Stop in Kingman for lunch and touring of the **Route 66 Museum**, which highlights the glory days of cross-country automobile travel. Then re-enter Nevada and travel just south of Boulder City for touring of **Nevada Solar One**, a concentrated solar power plant, with a nominal capacity of 64 MW and maximum capacity of 75 MW, spread over an area of 400 acres. The projected CO2 emissions avoided is equivalent to taking approximately 20,000 cars off the road annually. Then arrive in the "Entertainment Capitol of the World," **Las Vegas**, for a two-night stay.

Day 6

Breakfast, Lunch & Dinner

This morning we'll depart for a tour of **Nevada's National Security Site** and the **National Atomic Testing Museum**. Students will learn the history of nuclear testing outside of Las Vegas, interact with artefacts and technology, view a simulation of a nuclear blast in our Ground Zero Theater, and see footage of some of the 1,000 nuclear bombs that were tested in the Nevada desert. **Visitors must be at least 14 years old.** We'll tour Mercury, NV, Frenchman Flat where the first atmospheric nuclear test took place and much more. Return to **Las Vegas** for overnight. (If you have students under the age of 14, please contact us for alternative activities.)
