**Past performance is not a reliable indicator of future performance.**

\*Raynar Enhanced performance in dark blue shows the net asset values of Class A Distribution shares in GBP from launch sourced from Bloomberg net of all fees and costs. Past performance from 1<sup>st</sup> November 2019 to 6<sup>th</sup> February 2020 shown in light blue is an illustrative scenario. The illustrative portfolio takes the top 9 holdings (i.e. excluding Raynar Flagship) held by Raynar Enhanced as at end of June 2020, reweighted pro rata to form an unleveraged portfolio. This is applied to the start date of 1<sup>st</sup> July 2019 and a performance simulation of that portfolio generated, with the same fee and cost structure applied, rebased to 100 as of 7<sup>th</sup> February 2020.
