The Spanish Netball Festival

Our exciting Spanish Netball Festival is a fantastic opportunity for your Netball teams to be coached by experienced and enthusiastic qualified England Netball coaches and guest international coaches, and to gain competitive experience against other touring teams. A non-stop programme of coaching and mini-tournaments and a final tournament will ensure every pupil has a memorable and performance-improving experience abroad.

Taking place in Torrevieja Costa Blanca, Spain, Netball students will receive an **unbeatable ground package**. Unmatched in Europe as a year-round, sunny sporting venue, students receive a Netball tour-of-a-lifetime.

“Very good experience for all concerned. The pupils learnt a great deal and it has fired up the enthusiasm for netball in the school.” – TK

Torrevieja, Spain- As a Destination

Torrevieja is one of Europe’s finest sporting destinations and is the ideal location for a Netball Festival abroad. The resort is situated between the sea & two large salt lakes and enjoys a permanent spring climate with over 300 days of sunshine each year and boasts excellent sporting facilities and fantastic beach activity options.

The warm temperatures throughout the year, coupled with the unique characteristics of the area (a high proportion of salt, shallow waters and warm sunshine), allows guests to enjoy the beach and the fresh air in both winter and summer seasons.

Situated on Spain’s Costa Blanca, Torrevieja is served by both Alicante airport and Murcia’s new international airport, both just 45 mins drive away. This makes it an ideal location all year round for Visions touring sporting groups.

Visions Festival Hotel – Hotel Playas de Torrevieja

Located 100m from the sea and 250m from Playa de la Mata, Hotel Playas de Torrevieja is also just 5km from the centre of Torrevieja. All rooms at the hotel are furnished with balconies offering fantastic views of the outdoor pool and the Mediterranean Sea. Rooms have free wifi, tvs, en-suite bathrooms. The restaurant offers Spanish cuisine but also caters for the British palate.

The hotel complex has been carefully designed to incorporate spacious lounges, meeting and conference rooms, coffee shop and lower level breakout areas where entertainment takes place. The hotel offers extensive and varied Spanish high-quality 'all-you-can-eat' buffet-style meals for breakfast, lunch and dinner. The swimming pools and outside Jacuzzi have a lifeguard from 10am to 6pm per day during the Festival.

The hotel itself has been designed to provide maximum enjoyment and comfort of its guests and offers a 24-hour reception service. Its polite and friendly young staff members are there to ensure that all requirements are attended to in a courteous and helpful manner.

“We had a wonderful week in Spain with superb Coaching and Umpiring and were delighted when we got back and our Under 16 Team won the County and qualified for the Southern Regional Finals of the National Schools Netball Tournament. The girls and staff learnt so much and we cannot wait to go again.” - Sue D

Exciting New Netball Venue

We have upgraded our netball venue to a nearby purpose built multi-sport facility. Located less than 10mins from the door of the hotel to the door of this fabulous new location. The facility has 3 full size indoor netball courts on sprung wood floors, with an additional indoor space that could accommodate another 2 indoor netball courts, numerous options for many outdoor courts, climbing wall, athletics track, football, rugby fields, basketball courts, outdoor swimming pool, squash, handball, along with on-site cafeteria, water refill stations and so much more.

Sample Itinerary – Festival Day 1

Depart from your local airport and fly to Alicante or Corvera, depending on flight availability. The transfer time from both airports is approx. 45 mins. Upon arrival, you will meet your Vision's representative who will conduct our Welcome & Safety Meeting as well as give a brief orientation of the immediate area. You will also meet your Festival Coordinator and the Coaches will run through the Netball side of the festival and the programme.

Sample Itinerary – Festival Day 2 & 3

After a leisurely breakfast, the Netball Festival will commence. Schools will be assigned to fully qualified coaches who will work with the members of staff to organise a programme of coaching aimed to stretch the ability of every girl. There will also be mini-tournaments and Netball workshops each day. Groups will then participate in the very popular 'Battle on the Beach' one day and head off on half day excursion exploring the local area, the next day. Evening entertainment will include favourites, examples - karaoke, disco and Flamenco dance lessons all included free of charge.

Sample Itinerary – Festival Day 4

Following breakfast at the hotel, all the coaching will be put into practice as the teams play against each other in the 'Spanish Netball Tournament' and the teams will battle it out to find the tournament medal winners.

During the evening there will be a Presentation Evening where prizes will be given to the best teams, best players and most improved. This will be followed by a fun performance of 'Netball's Got Talent' where each school/team will be asked to perform a pre-prepared sketch in front of the other schools. It's great fun and enjoyed every year by all the participants.

"What an amazing hotel! The rooms were so spacious and comfortable. The food was great and we were so close to the sports hall and beach. Brill!"

Join us on the Costa Blanca
