

Learn all about the very best of Italian cuisine on a Food Technology school trip to Naples and Sorrento! Your students will pick up new ideas and techniques, try out traditional recipes and learn more about the region's local delicacies.

The local cuisine really makes the most of the region's exceptional produce, this is the ideal destination for a Food Technology school trip.

Your school group will visit a working mozzarella farm, enjoy a tour of an olive oil factory, and gain an appreciation of the passion that is needed to make traditional Italian products

The Food Technology tour to Sorrento also has the practical side covered. Learn how to make a true Neapolitan pizza at a typical Sorrento Farm and how to make classic Italian ice cream and gelato. There will be plenty of time for sampling and tasting too!
