

A Spanish language school trip to Madrid offers the perfect blend of commerce, art, and culture. Spanish language students can practice their Spanish in a structured environment with our Spanish lessons in the morning, then test their skills in real-life situations in the shops, art galleries or tourist attractions.

World famous galleries make Madrid a popular destination for tourists looking for a cultural experience and the city is known for its flavourful dishes, ranging from diverse tapas to filling paella. Students can enjoy mouth-watering plates of traditional Spanish food from patatas bravas to sweet churros con chocolate.

Madrid is an excellent year round destination with air fares less susceptible to seasonal variations.

Complete your Spanish trip to Madrid with an evening at a flamenco show and do not forget to visit the Bernabeu Stadium, home of Real Madrid FC.
