Uncover the life and works of Gaudi amongst the colourful city of Barcelona and see how the landscapes and architecture influenced the artist and the legacy he left behind. Parc Guell – one of Gaudi's creations, is full of the striking, challenging shapes of the artists architecture. And not forgetting La Sagrada Familia - Gaudi's unique, awe-inspiring cathedral.

The famous Picasso Museum, Barcelona's most visited, houses some important pieces from the formative period in the artist's career at the turn of the century; some of which were donated by Picasso himself.
