

Paris is the perfect destination for school art groups seeking to explore a choice of galleries and museums from the big tourist attractions such as the Louvre Museum and Musee d'Orsay to France's leading centre for contemporary arts at the Pompidou Centre. Your art students will see some of the world's most celebrated artworks for themselves, from the Mona Lisa to the Impressionist works of Monet and Renoir.

Add in the architecture and art of the city itself and the quaint streets of Montmartre where local street artists flock to exhibit their work. Guided tours are available at the galleries and museums and school groups also have the option of adding a Street Art guided tour.
