

Folgarida/Marilleva is in the well-known Val di Sole area. It is a wonderful ski resort for school ski groups with an excellent snow record that caters for all abilities, with plenty of easy sunny slopes for beginners/intermediates.

Folgarida itself is an attractive purpose-built resort set amongst pine trees with 27 lifts and 28 pistes. Folgarida is best suited to beginners and snowboarders but there is some terrain for both expert and intermediates. Our school ski groups will feel particularly at home here, with a small, friendly feel to the resort, and an abundance of evening entertainment options.

Access to the slopes from the resort is superb, and the modern lifts make the journey from accommodation to the tops of the glorious mountains seamless, making it the perfect destination for your school ski trip.
