

Bring Classical Studies to life and accompany your students as they walk the streets of Pompeii and feel the brooding power of Mount Vesuvius on our school Classics tour to Naples and Sorrento.

A school classics trip to the Bay of Naples allows students to study city life in Roman Italy with visits to Pompeii and Herculaneum and offers a range of interesting visits linked to Greek and Roman ancient history.

From the nearby Roman city of Pompeii and the wealthy holiday resort of Herculaneum to the three Doric Greek Temples of Paestum that stand amongst the best preserved in the world, there's so much to explore on a school classics trip to the Bay of Naples.

The tour is unique in that it can be very easily adapted to a cross-curricular trip to also suit the requirements of Geography and Food technology students alike.
