

Largely untouched by mass tourism, Montpellier is the perfect location for a total immersion French language experience for your school group. The city centre is largely pedestrianised meaning that it is an easy city for your French students to explore, to ask questions of the locals and use the modern tram network to get to the beach or the Odysseum Leisure park.

Our French language school in Montpellier is located in the city centre, close to the famous Place de la Comédie. The school is located in a 17th Century building with reception area, well equipped classrooms, local information centre and roof-top terrace. Lunch is provided at the school each day after lessons.

All teachers are university-qualified native speakers who will design the content of the French lessons to meet your curriculum requirements. Outside of French lessons, your students will be encouraged to practise using their French with native speakers.
