

Located on the French Riviera, Nice is the perfect location for a total immersion French language tour. It is also the ideal setting for your students to improve their French communication skills in time for their exams.

Our partner language school, Alpha B, is ideally located in the city centre and within walking distance of the train station. From here school groups can take the train to explore nearby Antibes and Monte Carlo for an afternoon excursion. French lessons are delivered in closed groups. The content of the French lessons are designed to meet your curriculum requirements. Outside of lessons, your students will take part in a guided walking tour of Nice, organised by the language school, and delivered in French.

HOST FAMILIES IN NICE

Host families are carefully chosen by Alpha B's accommodation manager and are used over and over again for UK school groups. Staying with a host family will allow students to discover French lifestyle and practice the French language outside of the classroom.

The accommodation manager in Nice visits host families on a regular basis to ensure that all aspects of the host family's accommodation are in good working order. They ensure that students and host families are a good match. Students with special dietary or other requirements can let us know, and we will communicate this to the team in Rouen to help match them with the appropriate host family.

Your host family will provide:

- Meals –breakfast and dinner are included.
- A single or twin private bedroom
- Towels, sheets, and bed linen
- A peaceful space with a desk and chair where you can work and study.
