

Salamanca is traditionally known as the area of Spain where the purest form of Spanish is spoken, with little regional accent or dialect. It is also a compact city with all accommodation within 15-20 minutes walking distance of the Spanish language school. Salamanca is also a vibrant student city and home to the world's 5th oldest university.

Our partner language school offers interactive Spanish lessons in closed groups with the content designed to meet your curriculum requirements. The Spanish lessons are supplemented with a comprehensive cultural activity programme including guided walking tours, museum visits, Spanish movies, Spanish cookery demonstrations, Lectures on Spanish Art or History and Spanish Dance lessons.

All activities are delivered in Spanish and organised by a Spanish teacher or activities organiser.
