

Marilleva 900 and Marilleva 1400, connected by a 12-seater cable car during the Winter season, are ideal destinations for school ski trips. The slopes are part of the extensive ski area known as the “Ski Area Campiglio Dolomiti di Brenta Val di Sole Rendena”.

There are over 150km of slopes here to explore from beginners to advanced. Predominantly tree-lined, the variety of piste in Madonna di Campiglio allow rapid learning progression for beginners whilst also testing the more advanced pupil with the range of black runs and snowparks spread over 59km of skiing.

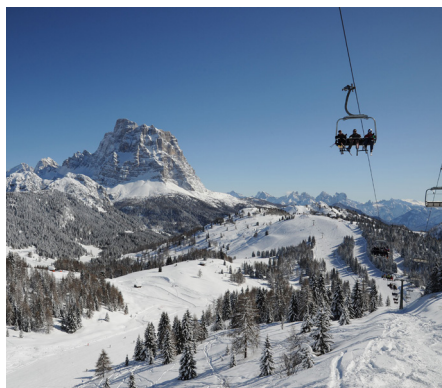

With 85% snow cannon coverage, and situated in a natural snow-pocket, there need be no concern about conditions.

RESORT INFORMATION

Purpose built with all hotels piste-side or within a short walk of the lifts, Marilleva's key advantage is how convenient everything is for a school group.
