

Pinzolo is a delightful ski area with a charming, traditional mountain town atmosphere, situated at a cozy altitude of 800 meters. Despite its smaller size, Pinzolo is connected to the prestigious resorts of Madonna di Campiglio, Folgarida, and Marilleva through a shared lift system, giving you seamless access to high-altitude, snow-sure slopes. The resort also features a fantastic ice skating rink and inviting traditional Italian pizzerias, adding to its warm and welcoming vibe.

Part of the expansive 150km Ski Area Campiglio, which includes Madonna di Campiglio, Pinzolo offers a variety of slopes to suit all levels. The nursery slopes at the top of the Pinzolo-Prà Rodont gondola are perfect for beginners, while the local Doss del Sabion mountain boasts wide, rolling reds and blues, along with the exhilarating Tulot Audi Quattro black slope for those looking for a challenge.

With 39 blue runs ideal for beginners, and 18 black and 35 red slopes for more advanced skiers, the resort caters to all skill levels with its modern lift facilities. By extending your lift pass, you can explore additional slopes in the Marilleva and Folgarida regions, bringing the total to 150km of interconnected skiing, all easily accessible from Pinzolo.
