

Largely untouched by mass tourism, Sete is one of the most beautiful towns in the South of France offering an authentic French experience and a welcoming environment for school groups. Thanks to its incredible landscape many French movies and TV shows are filmed in Sete.

Our French language school in Sete is centrally located in the town centre but can also provide spacious and bright classrooms on the beach with a choice of either host family accommodation or a choice of 2 different residences in the town centre and alongside the beach!

All teachers are university-qualified native speakers who will design the content of the French lessons to meet your curriculum requirements. Outside of French lessons, your students will be encouraged to practise using their French with native speakers or take part in activities related to the region such as learning how to "jouste" (a local sport), a French cookery workshop learning how to make a "tielle" (local speciality) or hitting the beach to play beach volleyball.

# SAMPLE ACCOMMODATION

## BEACH CAMPUS

Originally a holiday resort, the Beach campus has direct access to the beach and offers air-conditioned bedrooms for 2-5 students with single or double rooms for teachers. All bedrooms have private bathrooms. On the campus there is a 24h reception, TV rooms, panoramic restaurant offering breakfast, lunch and evening meals, an outdoor fitness area and pétanque court.

## HOST FAMILIES

Accommodation can be arranged with carefully selected host families, all of whom have clean police records. Host families are selected and contracted by the language school and all students receive a complete profile of their host family in advance of their trip.
