

The largest and most spectacular of the Italian lakes is home to several lively lakeside towns and villages alongside a great selection of theme parks.

Lake Garda is an ideal base to take in Venice and Verona and is an excellent destination for a school enrichment trip with a range of amusement parks in proximity, including Gardaland and Canevaworld Aqua Park.

The city of Verona offers the opportunity to tour the Roman Arena and view the famous balcony from Romeo and Juliet.

A Boat trip on Lake Garda is a lovely local excursion with a stop off at the lively lakeside town of Sirmione where traditional pizza restaurants await!

Lake Garda is a very popular destination for school trips for its spectacular landscapes and culture, as well as fun activities, with many school groups returning to the shores of Lake Garda year after year.
