

NETFEST MALTA 2024/25

Netfest Malta runs from 22-26 October 2024, 14-18 April 2025, 23-27 October 2025 providing a Netball coaching class for all participating teams as well as a 2-day tournament including qualification day and finals days with visiting and local netball teams.

Netball is played both outdoor and indoor and many sides have established Malta as one of their favourite touring destinations. The local leagues run between October and May, and this is the best time for Netball touring sides to visit. Another advantage to tour in this period is that it coincides with the low / medium season for tourists on the islands so more competitive prices may be secured with hotels.

Gain competitive experience against other touring teams and ensure every pupil has a memorable and performance-improving experience abroad.
