

Almost undiscovered amongst the magnificent Veneto Dolomite peaks, Civetta is a hidden gem. This stunning snow-sure resort is renowned for its fairy-tale landscape.

Civetta is like no other European resort offered to school groups and Visions are proud to include it on an Exclusive basis. With a relaxed atmosphere, high quality resort operation and numerous apres-ski activities included in your tour, it's the place to be with your school ski group next season.

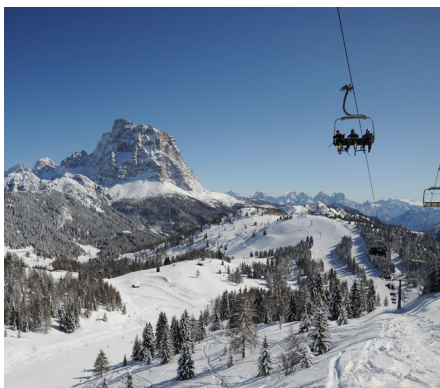

Civetta offers over 5km of illuminated slopes in Palafavera and presents school groups with the opportunity to night-ski at this magnificent ski resort under supervision. The slopes Foppe and Cristelin combine to make Civetta one of the largest night-ski areas in Europe. An experience not to be missed and included in your price! The brand-new snow park in Zoldo, beneath the Christelin chairlift, will also be open at night due to the magnificent lighting on this part of the mountain.
