

BLACK FOREST & STRASBOURG

A school trip to the Black Forest and Strasbourg offers a blend of natural beauty, cultural immersion, and historical exploration. The Black Forest region provides opportunities for visiting Germany's highest waterfall at Trier, enjoying a panoramic view from the Schauinsland Cable Car and enjoying a day at Europa Park, a large theme park perfect for an enrichment or activities week trip.

Strasbourg, on the French side of the border, features the European Parliament, a stunning cathedral, and the charming La Petite France district with its canals. Enjoy a scenic boat tour of the city and make sure to include a chocolate making workshop at the chocolate museum.

This trip combines the natural beauty of the Black Forest with the cultural richness of Strasbourg, offering a memorable and educational experience for students.
