

Our **STEM Discovery tour to Singapore** offers school groups a unique cross-curricular experience for students of **Science, Design Technology, Engineering and Geography**. This exclusive school group tour offers your students to learn about **redevelopment, sustainability, the environment and technology**.

Begin your adventure on a **guided tour** and learn how Singapore transformed into one of the world's leading international maritime centres and one of the world's busiest ports.

We then visit the **Marina Bay Sands**, Asia's leading destination for business, leisure and entertainment. Experience stunning views of the Singapore skyline from the **Skypark Observation Deck**.

The **Singapore Science Centre** offers a wide range of science enrichment programmes. Groups are challenged in a 2-hour STEM workshop in one of the specialised teaching labs. The programs aim to support students with hands-on and inspiring learning experiences.

Students will participate in a guided tour around the urban farming community at **Edible Garden City** along with an informative talk that will dive into solutions for food security, food waste and social issues like ageing population, inequality, environmental impact.

We then proceed to the Marina Barrage via the Singapore Mass Rail Transit. Included is a guided educational tour of the Sustainable Singapore Gallery, Green Roof, Solar Panels and the Marina Barrage.

Unlock a world of endless possibilities with our immersive VR experiences, whether it's exploring the wonders of outer space, diving into the depths of the ocean, discovering the age of dinosaurs! Afterwards we will be visiting **One-North, the Silicon Valley of Singapore** and finish the day at the **Singapore Flyer**, Asia's largest observation wheel.

Evening visits also include a trip to the world-famous **Gardens by the Bay** providing students with an opportunity to experience the development of modern Singapore. School groups will enjoy the **Garden Rhapsody 'Supertree Light and Sound Show'**.

And as darkness falls one evening we head to the unique **Night Safari Zoo**. The world's first wildlife park built for visits at night; our school groups will enjoy an exciting Expedition Tram which travels deep into the domain of the world's most fascinating nocturnal animals.

Finally, as a special reward, we head to **Universal Studios Singapore**, Southeast Asia's first Hollywood movie theme park, before transferring back to the airport for departure.

SAMPLE ACCOMMODATION

This exclusive Singapore STEM Discovery tour includes hotel accommodation within easy reach of Singapore's museums, attractions, shopping, and dining. Your private coach and guide will collect you from your hotel each day.

HOTEL CHANCELLOR

Hotel Chancellor is ideally located on the Orchard Road shopping belt. All areas of Singapore are easily accessible from the hotel including the major shopping centres at Orchard Central, Centrepoint, 313@Somerset, Orchard Gateway and Plaza Singapura.

The hotel has a total of 488 rooms that are mostly double or twin configuration. However, there are some rooms that are triple bed. All rooms have air conditioning, LCD TV with free wifi access, fridge and tea/coffee making facilities.

The hotel restaurant serves a Buffet style breakfast each day and hosts our welcome dinner on arrival.

YWCA FORT CANNING

Opposite Fort Canning Park and within walking distance of the Orchard Road, the YWCA Hotel Fort Canning is a quiet hotel with outdoor pool, free wifi and a café serving breakfast and home cooked western and Asian meals.

Rooms are available for 1-4 persons and include single beds, tea/coffee making facilities, fridge, TV and free wifi.

Staying here contributes to YWCA's community service program.

BEYOND ORDINARY - THE VISIONS DIFFERENCE

Visions in Education offer fully immersive, hands-on, educational trips of a lifetime. We support our teachers from planning the perfect trip, right through to hands-on support on the ground. Our excellent portfolio of destinations has been chosen to provide the best experience for all our travelling students.
