

Passo del Tonale is one of Italy's highest and most cherished ski resorts, especially popular with our school groups. The resort offers a wide range of hotels in Tonale and the nearby charming town of Ponte di Legno, ensuring comfortable and convenient accommodations for all.

Its high altitude virtually guarantees excellent snow conditions throughout the season, making it an ideal destination for school ski trips. Students can enjoy the thrill of skiing on reliable, snow-sure pistes without worrying about the weather. The resort's lift system is superb and uncrowded, featuring cozy 4-seater lifts and the impressive Paradiso cable car, making it easy to navigate the slopes.

For school groups, the variety of runs is a major advantage. Beginners and intermediates will find plenty of options with easy-to-supervise slopes, ensuring a safe and enjoyable experience. The nursery area, with its wide, beautiful open pistes, is among the best in Italy, allowing quick progression for new skiers. Advanced skiers will enjoy the challenging 4.5km Alano run and the Il Paradiso black run, providing thrilling experiences for those looking to push their limits.

Overall, Passo del Tonale offers a comprehensive skiing experience for all levels, making it a perfect choice for school groups. Its combination of reliable snow, excellent facilities, and diverse slopes ensures every student, from beginner to advanced, can have a memorable and enjoyable ski trip.
